

KP Club Monkey Food Event

Linda and Valerie want to thank you for being part of a hot steamy romantic night of Food, Flamenco and Fun...a night of sensory pleasure.

Not only will you get to enjoy one of KP Club's excellent meals the passion will rise with the fiery flamenco troupe The Dante Dames to get ready for the real work at hand; the tantalising decisions of 6 anonymously created delectable desserts. The voting criteria are all based on the sensors being excited. The winner for the evening will be voted for by you and will be announced at the end of the evening and each chef and their dessert creation reviled. The winner will receive the converted Monkey Food Plate award and be known as the Monkey Food restaurant of the month.

Each of these food emporiums have been chosen because they all have a great passion and belief in food being created from scratch and all place a huge importance on using locally sourced produce for their meals. These are fundamental to the Monkey Food event.
